**Disciplinary Action**

A note to parents and guardians.... it has been Cultural Affairs' experience that Verbal Warnings and Parental Conferences have sufficiently met all necessary disciplinary needs.

Please review the Leisure Services Bureau Policies regarding Disciplinary Action and procedures.

**Verbal Warnings**

Instructors will inform the student that their behavior is inappropriate when the incident occurs. The discussion should cover why the behavior is inappropriate, and how the behavior will be corrected. When the child is returned to the parent's care, the instructor will also inform the parent about the behavior and the corrective action that was undertaken.

**Disruptive Behaviors**

When a minor who is a registered participant displays disruptive behavior, the Camp Director should adhere to the following process:

- A Verbal Warning will be completed as above.

The Camp Director will remove the participant from the activity, or event for its remainder or the rest of the day and will contact the parent/guardian to come pick up their child.

**Suspensions**

Suspensions are subject to the following guidelines:

- Fighting
- Profanity
- Vandalism

Upon return, the student must attend a follow-up conference that addresses and reaffirms the Bureau's policies.

**Expulsions**

If the behavior has become chronic, the Cultural Arts Coordinator can elect to expel the participant from the program.

Expulsion is the punishment of last resort, and will only be used when all other avenues of corrective action have been exhausted. It may also be used where multiple inappropriate behaviors are displayed.

Expulsions from the particular facility, activity, or program are permanent.
